

From Trigger to Truth

A grounding tool to help you pause, reflect, and respond with clarity instead of reaction.

1. What just happened? (Describe the trigger)

2. What story did my mind immediately create?

3. How did that story make me feel or act?

4. What is actually true in this moment?

5. How can I respond from truth rather than react from fear?

From Trigger to Truth

A grounding tool to help you pause, reflect, and respond with clarity instead of reaction.
